

This year at VBS we get another chance to help others and spread God's love in our community and we can't wait! For the mission this year, we will be partnering with Warren Special Recreation Association in Gurnee, IL, also known as WSRA. This organization provides recreational opportunities for children and adults with disabilities through all different types of programs and events. WSRA serves all of Warren Township and even offers their programs to those who are non-residents.

So how does it work? VBS participants will have the opportunity each day to "purchase" items to be donated from the mission store that will help WSRA. These items will include craft supplies, sports equipment, games, sensory toys, and much more. Not only does this store provide donations to WSRA but it gives the kids and volunteers at VBS an opportunity to see how much of an impact they can have on others and that they can help others feel rescued by Jesus. Our VBS community can't wait to help our neighbors at WSRA and to be intentional about showing how Jesus can rescue us and use us to help others.

"Love one another. As I have loved you, so you must love one another." John 13:34
