– Building the Future on a Foundation of Generosity –

ANNUAL APPEAL 2025

Goal #1 Increase Youth Engagement

A vibrant youth program is essential for nurturing the spiritual growth of young people, providing them with a strong foundation in their faith during crucial developmental years. Many young adults who were once part of Joy! Lutheran Church's youth ministry still speak of the profound impact it had on their lives. They often recall how the program helped them navigate challenges and strengthened their relationship with God. Investing in a dynamic youth program ensures that these formative experiences continue, shaping future leaders and leaving a lasting legacy of faith within the church community.

We will *increase youth engagement* by hiring a part-time Youth Director Assistant who will be responsible for scheduling and programing youth group gatherings and events.

To meet this need we need an additional \$192 each week.

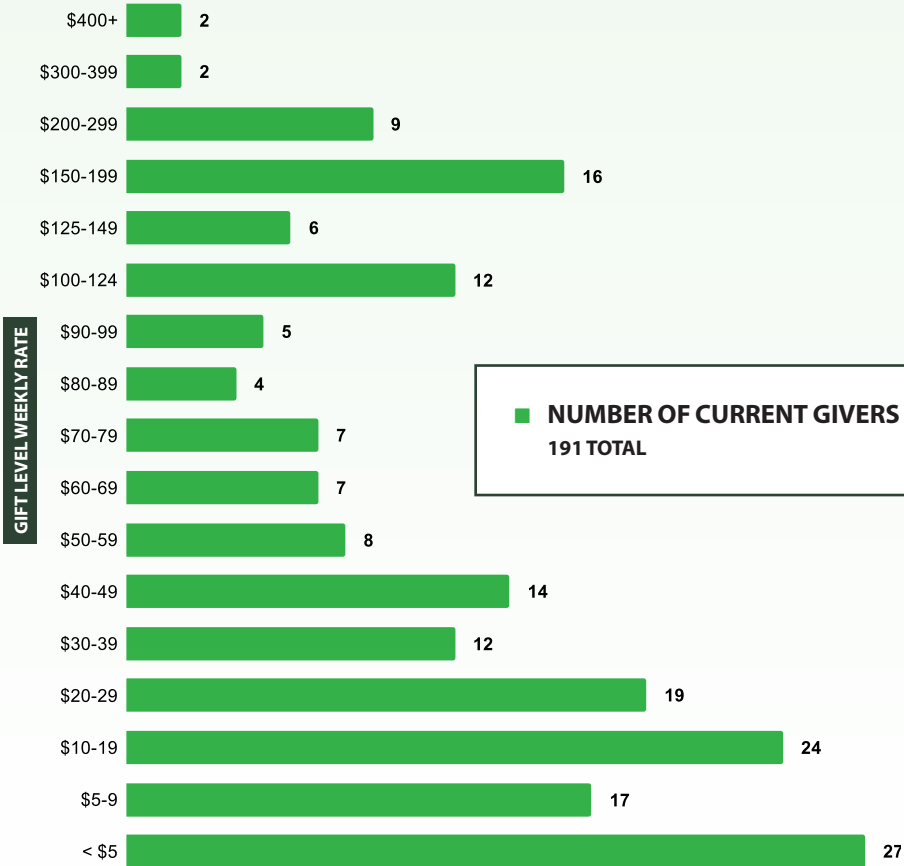

Where Our Giving Currently Is

Our gifts and offerings, joined together, accomplish ministry which is blessed by the Lord. This chart provides a picture of our current giving. As you read this gift chart and find the level of your current offerings, we invite you to consider the following questions:

- » How does my giving level compare with other ways I use my money?
- » How adequately does my giving reflect my eagerness to share from all the blessings I receive?
