ANNUAL APPEAL 2025

Goal #3 Enhance Our Digital Outreach

In today's digital age, having an engaging presence on all social media platforms is essential for Joy! Lutheran Church. This visibility not only helps us connect with our current members but also reaches people searching for a contemporary, inclusive church. An active and engaging social media presence allows us to share our message of love and inclusivity with a broader audience, showing that Joy! is a welcoming community for all.

By embracing these platforms, we can effectively share our mission, attract new members, and ensure that our church continues to grow and thrive in a rapidly changing world.

We will enhance our digital outreach by interviewing and contracting with a Church Digital Marketing Agency.

To meet this need we need an additional \$115 a week.

Where Our Giving Needs to Grow and Go

This graph displays two charts of our giving. The first shows how many gifts are currently being given at the indicated weekly amounts. The other shows how many gifts are needed in each level to reach our goal. As you look over the charts, prayerfully ask yourself the following:

- » How does my giving level compare with other ways I use my money?
- » How adequately does my giving reflect my gratitude to God for all the blessings I have received?
- » Where would I be if I doubled my offerings? And can I consider doing that?
- » How much more could I give if I really wanted to?
