

*“Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously.” (2 Corinthians 9:6)*

The **Joy! Faithfully Forward** Campaign invites us to move from caution to confidence in God’s generous provision, recognizing that everything is a gift from God and stewarding these blessings through giving to keep our ministry strong for an ever-growing future together. This week, reflect on how your connection to Joy! Lutheran Church has impacted you and those you love, then imagine the plans God has for our congregation. Next week, your gift will be more than a financial commitment—it’s an act of worship and a tangible way to participate in what God is doing at Joy! as we step forward together in faith.

Here are some reflections from our Joy! Lutheran Church family about the blessings they’ve received:

*“I have served as the Joy! Lutheran PADS lead for several years. I have regularly experienced the blessing of serving and becoming friends with generous church and PADS Central staff members and volunteers. This generosity has encouraged me to continue serving in this capacity with energy and excitement. My ever-expanding circle of PADS friends has also helped me to live out God’s message in the Bible that states whatever we do for those less fortunate than us, we are doing for Him.” -MIKE MORSE*

*“I never imagined how much working at Joy! would bless me and my family over the 30 plus years here. Watching my daughters go through Kids Klub and Youth Ministry at Joy! and now growing in their service by working in our nursery is yet another blessing. I am super excited to watch my grandchildren grow closer to Jesus through the ministries at Joy! and the Joy! Faithfully Forward Campaign. It’s a beautiful reminder that God is moving in our family and in our church family.” -CHERYL O’NEILL*

*“Growing up at Joy has been one of the biggest blessings of my life. From my earliest memories in Kids Klub to being part of youth group, this church has always felt like home. The people here have supported me, prayed for me, and helped shape me to be the person I am today.” -ELLIE JENSEN*
