# DINNER WITH JESUS

## WEEK 4: SERVING UP MISSION

**Big Picture:** Jesus used meals as missional opportunities. Meals in themselves are nothing special but when you combine a passion for Jesus with shared meals, you create gospel opportunities. The table is a very ordinary place, a place so routine and everyday that it's often overlooked as a place of ministry. If you routinely share meals with others and you have a passion for Jesus, you'll be doing mission work as you practice hospitality.

### **Application & Reflection:**

1. Have you ever attended a meal where you had conversations about faith?
2. What do you think God's mission is for us collectively as Christians?
3. How could shared meals provide unique opportunities for sharing the gospel?

**Prayer:** Faithful God, we are grateful for the ways You call us to do Your work in the world. Guide us to live out Your mission for us individually as well as collectively as Christians. Help us seek out opportunities to invite others to our tables to show Your goodness. Amen.
