Reaching our neighbors with Christ's love so all lives are changed.

Join us for worship next Sunday, July 5th for the first week of a new 3 week sermon series called "Eat Your Veggies". Just as our parents taught us wisdom like telling us to eat our veggies, God's Word feeds us wisdom as well. The Book of Proverbs is also called the Book of Wisdom and we will explore many important proverbs together during this series.

WEEK 4: MOSES—NEW PURPOSE

Big Idea: Moses' life was filled with disruption. He wasn't raised by his birth family. He committed murder while defending a slave, which leads him to flee. Then he creates a life as a shepherd - only to have that disrupted by a burning bush! Can't this guy catch a break? Well - not really, but God has a plan! God calling Moses to free the Israelites is an iconic image of a new purpose in Moses's life. We may talk about a major revelation in **our** life as a "burning bush" moment. We may not see a "burning bush" but God does speak to us to reveal our purpose at different seasons of our lives.

Application & Reflection:

1. Name a time in the past when God has spoken clearly to you about your purpose?
2. How has this time of sheltering in place caused you to see things in a new light or perhaps uncover a new purpose or direction for you?
3. How can you stay attentive and focused on what purpose God may be calling you to in the future?

Prayer: Lord God, we give You thanks for the story of Moses and how You called him to a new purpose in life. Help us to listen to Your voice as we uncover Your purpose for us in different seasons of our lives. Guide us to follow You Lord even if that means getting out of our comfort zone. Amen.
