HOW CAN I HELP?

WEEK 1: HELP ME TO LISTEN

Big Idea: When going through difficult circumstances, people can easily find themselves feeling unnoticed, unseen or unheard. Whether setting time aside for an intentional phone call, or inviting someone to coffee so that they can share what's going on, we can find ways to create a safe space that someone else might need.

Application & Reflection:

1. What are some examples of times someone has listened to you in the past?
2. How have you spent some time recently listening to others?
3. Who could you connect with this week that could use a listening ear?

Prayer: Gracious God, we give You thanks for Your desire to have a relationship with us and be there for us as a source of comfort and listening ear. Help us to give the gift of our time to others and really listen to their concerns and challenges. Enable us to see the people in our midst who could use a listening ear.
