Reaching our neighbors with Christ's love so all lives are changed.

Join us for worship next Sunday, June 4th for a new sermon series called “Stellar”, focusing on the themes the kids will be learning at Vacation Bible School that are just as important for adults. This first week we’ll explore how we can shine Jesus’ light even when life feels dark.

MANAGING HEALTHY RELATIONSHIPS

WEEK 4: FIGHT FAIR

Big Picture: To have emotionally healthy relationships, we need to eliminate “dirty fighting” tactics and fight fair for the sake of the relationship. Conflicts, especially unresolved conflicts, are one of the greatest tensions in our lives and one of the toughest parts of relationships. But conflict is inevitable and actually necessary if relationships are to grow and mature. How we respond to conflict is what can take unresolved tension and grow it into a maturing relationship.

Application & Reflection:

1. Who do you find yourself in conflict with on a regular basis?
2. Are you good at fighting fair?
3. What can you do to be better about fighting fair?

Prayer: Gracious God, thank You for all those we are in relationship with, even those that we find ourselves in conflict with. Help us to honor You as we interact with others and practice fair fighting practices. Empower us to love others the way that You love us. Amen.
