MIND MATTER

WEEK 1: YOUR MIND MATTERS

Big Idea: Our mental health is just as important as our physical and spiritual health although it is the area we typically talk about and focus on the least. There is no denying that there are mental health issues in our community and world. The truth is, we all experience symptoms of various mental health challenges at times. But God cares about our **whole** selves so it's time to remove the stigma and talk about the difficult topic of mental health.

Application & Reflection:

1. How have you experienced mental health challenges in the past?
2. How are you currently taking care of your mental health?
3. What can help you in the future when you're feeling stress, worry, anxiety, or depression?

Prayer: Merciful God, thank You for the resources available to support us with our mental health. Help us make our mental health a priority and realize it's just as important as our physical and spiritual health. Guide us to be self-aware when we need to find resources to stay mentally healthy. Amen.
