

The background of the entire image is a stained glass artwork depicting palm fronds. The leaves are rendered in various shades of green, from light lime to deep forest green, with dark outlines. The spaces between the leaves are filled with a mottled blue and purple color. A central green rectangular box with a black border contains the text.

PALM SUNDAY

PALM SUNDAY marks the first day of Holy Week where Jesus entered into the city of Jerusalem for what would be the last week of his earthly ministry. We celebrate with palms to commemorate that day 2000 years ago when crowds of people welcomed Jesus by waving palms and placing palms in his path, recognizing him as their king.
