Can you Hear Me Now?

Read

Luke 7:1-10

Think

Week 2—April 18, 2021 “Hearing God through Scripture”

To read scripture is to hear God’s Word - to hear God’s thoughts, God’s feelings, and God’s actions that God hopes to convey. God’s wisdom becomes our wisdom. What grieves God will grieve us. As we intentionally take time to read God’s Word, we become more in tune with God’s voice in our lives.

When we read God’s word, we are doing more than reading history or poetry or parables, we are hearing the thoughts of God.

Discuss

- How does scripture help us hear God voice?
- How have you heard God’s voice speak to you through scripture?
- What steps can you take to know God more through scripture?
- Has there been a time in your life where faith and reading God’s word help you get through a difficult time?

Pray

Faithful God, thank You for Your Word so we can know You better. Help us to make reading Your Word a priority in our lives so we can hear and discern Your voice while striving to lead a Godly life. Amen.
